SUMMER READING ASSIGNMENT

7TH GRADE

FIRST: Happy summer break! You will be reading two books over the summer break – the equivalent of one book each month.

- **ONE NON-FICTION BOOK**

- *Google It: A History of Google* by Anna Crowley Redding
(ISBN: 13- 978-1250148223)

- **ONE FICTION BOOK** (please choose one of the two books below)

- *Homecoming* by Cynthia Voigt
(ISBN: 13- 978-1442428782)
- *Rebound* by Kwame Alexander
(ISBN: 13-978-0358494836)

SECOND: Read every day for 30 minutes. Read deeply. Allow the author to paint pictures in your head through the descriptions provided. Let each chapter of the book play out like a scene in a movie.

THIRD: Bring the books to school in the autumn. The two books you read during the summer will be the source of our writing for the first week of school. They will be the foundation of your first grades for the semester, so make sure you read every page deeply. No phone. No texting. No video games. Just reading. Just you and your book.
