### **High School Faculty**

AGBU MDS faculty have received regional and national recognition for charitable activities and teaching excellence. The ratio of students to teachers is 12:1.

### **Grading**

The school year is divided into two semesters and classes meet on a daily and a hybrid block schedule. AGBU MDS issues 3 progress reports every semester, 5 weeks apart; however, only semester grades appear on the student's permanent transcript. Grades are calculated on a 4-point scale and weighted 1-point for courses designated as "Honors" or "Advanced Placement."

### **Service Commitment**

Students must complete 80 community service hours as part of their graduation requirements. This obligation exists to encourage fulfillment of the AGBU Manoogian-Demirdjian School Mission. The majority of students choose to exceed this service requirement.

## Graduation Requirements

Students are expected to complete the following, fulfilling all A-G requirements:

Subject Requirement	Course	Years
A	English	4
B	Mathematics	4
C	History	4
D	Science	4
E	Foreign Language	4
F	V&P Arts	4
G	College Electives	2

Any core subject courses, with a semester grade of D or F, must be repeated prior to graduation. Courses repeated outside of AGBU are not shown on our transcripts and are not factored into the student's Cumulative GPA. Additionally, seniors cannot have a D or F, as a semester grade, during their senior year in any core subject and graduate.

## GPA & Class Rank Information

The highest academic cumulative weighted GPA in the Class of 2024 is 4.84. Given the rigorous nature of the curriculum and the small size of the senior class, AGBU Manoogian-Demirdjian School does not rank its students. Honors and AP courses are weighted one point. Off-campus summer or transfer grades from other schools are not included in the GPA.
